EFOA 2025

Enteric Fistula and Open Abdomen

28 – 29 August · Copenhagen · Denmark

Welcome

to the EFOA 2025 International Symposium! We are bringing together specialists from different countries to tackle the challenges the enteric fistula and open abdomen cases present.

Our goal is to create a collaborative environment where all delegates can openly discuss, learn from one another, and ultimately elevate the standard of care. These patients often face significant challenges, and our collective effort can make a real impact on their quality of life.
